CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY (CAL-EPA)

The California Environmental Protection Agency (Cal-EPA) has led California in creating and implementing some of the most progressive environmental policies in America. Cal-EPA as we now know it was established in 1991. Today's CalEPA consists of the following boards, departments, and offices:

- •Air Resources Board (ARB)
- •State Water Resources Control Board (SWRCB)

• Office of Environmental Health Hazard Assessment (OEHHA)

- Department of Pesticide Regulation (DPR)
- Department of Resources Recycling and Recovery (CalRecycle)
- Department of Toxic Substances Control (DTSC)

Air Resources

Board

Works to reduce air pollution so all Californians can breathe cleaner air

www.arb.ca.gov 800.242.4450

Department of Pesticide Regulation

Ensures the safe use of pesticides through registration, permitting and training

www.cdpr.ca.gov 916.445.4300

Department of Resources, Recycling and Recovery

Promotes waste reduction, recycling and reuse

www.calrecycle.ca.gov 800.732.9253

Department of Toxic Substances Control

Cleans up
hazardous
waste sites to
put them back
into
productive use
and reduce
blight in
neighborhoods

www.dtsc.ca.gov 800.728.6942

Offce of Environmental Health and Hazard Assessment

Provides
valuable
information to
consumers,
policy makers
and
manufacturers
on the safety of
chemicals in our
environment

www.oehha.ca.go 916.324.7572

State Water Resources Control Board

Ensures that the quality of our water ways is safe and that we balance its use to meet the needs of all Californians
